

fresh start

Posted by Sturggle - 06 Jul 2009 19:35

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

I'm currently in Yerushalayim, but I am post the mitzvos of Purim. I had a great day and I thought about all of you throughout.

And, being in Yerushalayim, the fun continues...

MISHE MISHE MISHE MISHE...!!!

ok, so now my throat has been hurting me and i was tired all day long,

but B"H i am clean and planning to stay that way.

im trying to remember whenever negative thoughts come up,

to just quell them and keep moving in with whatever i may be doing,

really not so easy, i just think that negative thoughts will always take me back to where i dont want to go

and one major weapon i have against them is to not think them

Refuah Sheleimah Sturggle,

Dont make enough to just get through the day. Live the day! I knwo its probably hard because youre sick, but this is Davka when your yeter Hara tells you cant do anything productive. He wants you to just sit in bed and wallow. How about listening to a shiur or something???

Feel better!!!!

Glad to hear that your shabbos went well - I'll check out your tech help thread, but don't have high hopes...I'm not very tech savvy...

Hope your week continues to go wonderfully!

Hope you're doing well.

Sorry I couldn't talk with you on Thursday. I was crazy busy at work.

Still busy at work, but thinking of you.

Embarrassed to admit that I no longer check the mens side on a regular basis :-[

Remember; if you want me to stop by for something specific -

and that may be no more than a "please stop and say hi, mom"

give me the heads up on my 7UP thread, k?

DO NOT think that they have forgotten you though!
Hi Sturggle

Keep climbing Sturggle.

We believe in you.

I hope you have noticed how much you have grown.

Because mom has!
