I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

Mazel Tov Sturggle!

Such a nonchalant announcement for such a huge accomplishment!

1 + 1 + 1 = 90 - you did it!

May this be just one of many goals reached, and hurdles overcome. May all your future growing be via smachos.

Sturggle, you have a very special soul. And we are fortunate to have you with us on this forum. Mazal tov on this milestone! Precicely BECAUSE it took so long, is what makes it so special and so precious. Where many others have long given up, you keep trying again and again. And that is what differentiates the winners from the losers at the end of the day ;D

If you will share with us your story/what you learned/gained on GYE over the past 1.5 years - I will share it bl"n in a chizuk e-mail to inspire others (just send me a Heads up).

YA,

thread (not that I have never hijacked threads wholesale!! But 'do as I say, not as I do' :  
that was a great post. your honesty, your desire to move forward from the difficult place you are  
in now,

setting specific ways to do so, reaching out, etc...

and did you ever get around to making your own thread?

not that i mind your visiting over here.

i sent you a pm, as im sure you have seen.

be well,

sturggle
