

zero mile -here we go again

Posted by keywest - 11 Nov 2010 20:18

let me jump right into it

I am an alumnus of GUE.I went 90 days many times.The monster came back.

I am going on the wall of honor again(someone please sign me up).

My story:married to my love,great family,FFB,live in the suburbs,and i want to do another 90

chevra: I dont want chizzuk I want mussar.

please keep checking on me I will be open and honest.

I have not much to say and less to offer.I am ashamed of myself.I should have known better.

Here we go again starting from the bottom keywest zero mile front street .

If I fall again I will be swimming with the sharks somewhere near Cuba.

GuardYourSnotNosedYankles.org.

It doesn't have quite the same ring to it.

Maybe they could pose in their shorts for a fund-raising calendar for gye, though.

Well, we used to be into that, but now that our kids are approaching shidduchim and all, well....

What? Eh? OHHH! Sorry, I misunderstood. I suppose I have more GYE work to do until my mind stops wandering.... [GROAN]
