

The life of a soldier in hashems army

Posted by mnman415 - 16 Nov 2010 03:54

my last thread was called starting over after 37 days and the one before that was called this time im in it to win it.

very quickly. im 16. got into this at 11 years old. always said ill stop after my bar mitzvah. in 8th grade i talked to girls. in summer going into 9th i decided to stop talking to them because i felt guilty about m*****. skipping ahead. here i am now as an addict. a teenage addict trying to get close to hashem.

the only way i can do it is with his help, without hashem i am helpless.

so here is what we are doing. we are DAVENING 3 times a day. not saying the words but talking to hashem. if possible, talk to hashem often.

filling my day with as much torah as possible.and maintining kedusha. thursday nights i will try to exercise to get rid of some extra hormone buildup. and get rid of sexual energy.

there is so much more to do, but this is the main outline.

today was day 1. it was good, i was careful with my eyes. i learned a lot. i feel really good. i just decided. by next schoolyear, going into 12th grade, i WILL know how to learn. im still pushing myself in shiur. but out of shiur, i am taking a jastrow (dictionary) and learning torah. i am learning the entire masechta bekiyus that we are doing in school. we are only going to cover 20 or so dafim of gemorah so i am doing thr whole thing. over the vacations when i have more time i will try to learn how to learn be'iyun. but i first need to get down the basics.

anyways. i feel really pumped to keep going and really make it to 90 days this time. and with hashems help and only with his help will i be able to make it.

If you can learn the *sugya* of *Rebbi Channina Sgan Hakohanim* by yourself you are **not** a beginner!!!

well im very good at concepts. i can understand soncepts and understand the q and a of the gemorah. the only problem is getting to that from the words.

in chanina sgan, the actual gemorah isnt that hard, the words arnt the hardest of words and the actual shaklah vetariya of the gemorah wasnt tooo hard, it was just the concepts that are hard.

you know what im saying?

Until you're able to learn gemara by yourself well, an get a clear pshat, I'd stick to nashim/nezikin/moed.

I learned sotah in 9th grade, my rebbi said it turns the little freshies into more mature high schoolers. Good luck.

btw I've gotten a lot of chizuk reading your whole journey through this thread. Thank you!

ive been through it before this is my second time, but lets pretend i havnt.

so we now understand that we have an allergy and once we start lusting....we crave for more. now, what do we do? lets say that on monday i see a lady and i have a small level of lusting and then the allergy kicks in, and then through the week it gets stronger and stronger as i see more ppl. what do i do?
