

The life of a soldier in hashems army

Posted by mnman415 - 16 Nov 2010 03:54

my last thread was called starting over after 37 days and the one before that was called this time im in it to win it.

very quickly. im 16. got into this at 11 years old. always said ill stop after my bar mitzvah. in 8th grade i talked to girls. in summer going into 9th i decided to stop talking to them because i felt guilty about m*****. skipping ahead. here i am now as an addict. a teenage addict trying to get close to hashem.

the only way i can do it is with his help, without hashem i am helpless.

so here is what we are doing. we are DAVENING 3 times a day. not saying the words but talking to hashem. if possible, talk to hashem often.

filling my day with as much torah as possible.and maintining kedusha. thursday nights i will try to exercise to get rid of some extra hormone buildup. and get rid of sexual energy.

there is so much more to do, but this is the main outline.

today was day 1. it was good, i was careful with my eyes. i learned a lot. i feel really good. i just decided. by next schoolyear, going into 12th grade, i WILL know how to learn. im still pushing myself in shiur. but out of shiur, i am taking a jastrow (dictionary) and learning torah. i am learning the entire masechta bekiyus that we are doing in school. we are only going to cover 20 or so dafim of gemorah so i am doing thr whole thing. over the vacations when i have more time i will try to learn how to learn be'iyun. but i first need to get down the basics.

anyways. i feel really pumped to keep going and really make it to 90 days this time. and with hashems help and only with his help will i be able to make it.

ok,

so i started the megillah in the middle due to the advice of my teacher (no problem, a megillah doesnt need to be kesidran) and its a good thing, i just finished one amud and startedthe 2nd, the 2nd amud is already much better then the 1st (actually the 11th amud is better than the 10th amud)

when i 1st started, i was completly lost in how the spacing worked out, some lines i put them to close some i ran out of room etc etc.

bh im starting to get used to it (ya....hes not teaching me how to erase until i finish)

today is day 8

hello my friends,

im back

on the way back home our car broke down, we were all tired from an already very long weekend
and it was very easy for all of us to loose our tempers at each other.

but i tried to control myself, this treip was a success. we made the bubbies very happy, and we
got to see old friends (not me cus i was too young when we moved to my present city)

i think im on day 21
