You're doing great. May Hashem give you strength. Remember, this is not just about breaking this addiction, it is about breaking some of the "self" and becoming a better person, and much closer to Hashem. You are from the few valiant warriors in today's world who seek this with sincerity!

Today was a good day. No starting at all today, even though I worked at the house of a very attractive woman (married) for an hour. I was able to push the filthy thoughts out of my mind easily.

**Ano is our ammo** against the yetzer hara!

Do you want to join the call (free and ano-nymous!). Write me for the number and PIN.

It is now Sunday night here, and I'm still going. It's not getting any easier just yet though...

I would love to join, but I only have a cell phone, and it would cost me like 50 shekels for an hour. I don't think I can afford that. If there is any way it could call me (incoming is free), I would love to do it. Please tell me what you think. :D

Well why don't you PM me the number/pin, and in the future if I'm in a position to use it I will.  
Does the phone number look suspicious on a phone bill (if I use it it will be on a home phone, at  
a relative's house)?

It's now Monday night. I'm almost at Wednesday, which will be two weeks! There is no way I  
could have gotten so far without knowing how much I would disappoint you all by falling. That  
thought has stopped me numerous times.
