I hope so too. I also just made it to 40 (again) and I hope it's the last time for me, too.

Good luck.

im sorry but to say that before a fall is not a good idea.

of course. 45 clean days is something no one can ever take away from you. its yours to keep no matter what will happen. just dont think that way, just aim higher race to 90 days you could do this, you know that

you have no right to stop anywhere

I'm looking fwd for your 90th day post

go go go go
