

Urgent. Looking for Sponsors for Back Cover of Ami Mag - ONE HOUR TO GO

Posted by the.guard - 17 Nov 2011 15:51

Ami Magazine called us and said that their back-cover, which is prime advertising area, just opened up. They will be giving out free copies at the upcoming Agudah convention next week, so it's a special edition. It's normally \$1500, but they are willing to give it to us for \$1000. They are going to print tonight, so we only have an hour to answer them. **That's 12 PM EST Thursday, Nov 17, 2011.**

We can't afford to do this without a sponsor. Does anyone here want to chip in? If we can raise most of the money in the next hour, we'll do it.

Thanks for the offer for half (\$500). I called them back and unfortunately the back cover was sold, but they are still willing to give us a full-page color flyer in the Ami magazine for only \$750 (instead of \$1,500 regular price), and it is still a special edition because they are printing out an extra few thousand for the Agudah convention. And the theme of this year's convention is about dealing with the challenges of today's technology, so it's appropriate for us to be in this edition.

Do you want to still give \$500 for that? Or half of \$750?

I think GYE should get a kickback on all the AMI Mag that will be bought by gye users that never bought Ami in the past. After all you are advertizing for them.
