The following are some expenses that we have recently paid. We are offering the tremendous zechus of sponsoring these things that will help hundreds (maybe thousands) of Yidden:

\$1,033.50: Cost of the new [GYE Blackberry App](#).

\$420: Designing the [GYE App page](#) on our website, and the [English](#) & [Yiddish](#) Flyers (including a 1/4 page ad in "Der Blat" with the Flyer).

\$1,600: Cost of a French website to help hundreds of Yidden in France. (We just paid the first payment of **\$800** to start the work, and we'll pay the second **\$800** upon completion in about 3 weeks, be"H).

\$2,880: Programming for our new [Partner/Sponsor System](#) - to help addicts find partners and sponsors for accountability and to keep in touch with. It also includes our new GYE Phone community, where members share phone numbers with each other (each number is verified, and only those who give numbers are shown the list).

\$500: Graphic design and implementation of the new [Partner/Sponsor System](#).

\$450: Big banner on [Yeshivaworld.com](#). (We had a sponsor for the year, but he cancelled this past month and we're still paying for the banner). Grab the Zechus!

Anyone who would like to pay for any one of these things - or a **part** of them - can donate using our [secure donation page](#).
