

This Thursday March 22 in Brooklyn: 20 Technicians to help you get protected!

Posted by the.guard - 18 Mar 2012 21:23

[English Flyer Here](#) [Yiddish Flyer Here](#)

Dear Parents: *Do you need a laptop, cellphone, blackberry, smart phone, etc., but want to protect yourself, your family, and your future? We're here and ready to help you.*

Dear Businessmen: *Do you need full internet access for your business, but feel a responsibility to yourself, your family, and your employees? We're here and ready to help you.*

20 Professional technicians are volunteering their time

- To advise you how to protect yourself, according to your needs,
- To install the protection you choose, on the spot
- To disable the wifi of your laptop,

All free of charge!

Men's Night

Enjoy a "Leil Shishi" delicious hot buffet and fruit platters

There will also be workshops for men, advising about the dangers of modern technology, as well as advice about methods of protection.

Thursday evening, March 22

At the Karlisburg Hall

1556 53 Street

From 7:00 PM to 12:00 AM

Technical Helplines:

- TAG (267) 295-1954
