

WE NEED YOUR PERSONAL STORY

Posted by the.guard - 07 Nov 2012 23:13

Some of the websites that we advertise on give us free articles...

For example: collive.com/show_news.rtx?id=18427

[And in Hebrew \(just came out yesterday\):](#)

www.bhol.co.il/article.aspx?id=46401&cat=14&scat=116

[The websites don't want infomercials, but rather real live stories of people who were helped by us \(like the examples above\).](#)

[The article should show how regular, good Yidden are sucked in to this and can't get out, and how they find GYE and use the tools we offer to break free...](#)

[These articles bring LOTS of people to GYE, even more than the banners we put up on these sites.](#)

[Please send us an article describing your own journey... **You can have a big zechus in bringing people to recovery!**](#)

[\(The article shouldn't get too specific about the falls, but speak in more general terms...\)](#)

[Send your articles to \[eyes.guard@gmail.com\]\(mailto:eyes.guard@gmail.com\). \(We don't promise it will get published, but we need your help to try!\)](#)

[Thank you and Tizke Lemitzvos!](#)

[Everyone knows what you mean anyway](#)
