As R. Guard mentioned in a recent Chizuk e-mail:

In honor of e-mail 613 - and in honor of us reaching 1000 unique subscribers to the Chizuk e-mails this week, please help us help more Yidden by printing out the following professionally designed flyer and hanging it up (discreetly) in your shuls, neighborhood bulletins, or - better yet - send it in to your neighborhood newspapers and sponsor it as an ad! The Zechus of the Rabbim will be in your hands!

The new, colorful GYE flyer is available [here](#) [link updated to revised version July 27, 2010].

I put this flyer as an ad in a local publication, which has about 40,000 readers.
