Just a reminder:

1. We try to remove triggerin' stuff.
2. Please, as best as possible, do not disclose personal stuff.
3. Those with ssa tendencies should be extra careful.
4. It is always best to offer advice by sayin' what worked or didn't work for you.
5. Remember that this is a public forum (sort of like a bar). Posts can be wacky (would you heed the advice of every drunk cradlin' his scotch?).
6. There is no ownership of a thread.
7. Treat others with respect. Try not to get personal.
8. Moderators are human as well; some even sub-human.
9. Try welcomin' newcomers.
10. L'chayim!

Re #8: we are less than human. We make more mistakes than others. We are judgemental and it's difficult for us to admit our mistakes and especially tough to apologize.
