

Add Your Name and Prayer for the Kosel
Posted by the.guard - 26 Feb 2009 22:00

Ykv_schwartz is planning a trip to the kosel on Sunday again. (Anytime anyone has a chance to go, they can post in this thread).

Currently, the following names in Yaakov's list are as follows:

Guardureyes, Shomer, MD Ashdod, Benyamin6766(ben), baruch hu ubaruch shmo, phillip, someone, pahut yid, ykv_schwartz(me), habib613, joeyman, momo, Ano Nymous, be holy, mevakesh hashem, battleworn, jack, bachur28, getting help, yossi_mords, wewillnotbeforsaken, boruch, struggling_woman, Elya. PostalServicio, Chazak, ME, MW, Net, chasdei avos, me2, snibril, andsm1, battleworn's son.

If your name does not appear above, post your name below. If you have a special request to daven for, post about it here.

There's nothing as precious to Hashem as all these names of Hashem's front-line soldiers!! I am sure when Yaakov just says these names, the WALL will SHAKE.

Mevakesh Hashem.

Please pray that I merit Siyata D'Shmaya in my battle and in my assisting others in their battles.
Also ask Hashem to help me keep the "promise" I just made to someone in my efforts to get
them to change their sinful ways! (Guard knows what i am talking about)

Chazak V'Ematz!

That Guard knows what you're talking about doesn't really matter.

But **G-d** knows what your talking about, and THAT'S what counts :-)

I then read off the names of everyone on this site, as I have been doing in the past few weeks. If you name does not appear above, email Guard and he will modify the post with your name.

Be Holy:

He should be able to see the beauty in his wife and NEVER notice any other woman in the world. He should realize that the wife that Hashem gave him is the perfect woman for him. He should appreciate her and profusely thank Hashem for giving her to him. He and his wife should grow to become a source of Shalom to the entire world.

momo:

Please give momo the strength to ward off all dangers of the Y"H. He should learn to understand what brings him down this path and how to properly get himself out. May this be the last time he needs to pick himself up and clean off the mud.

Thank you, Hashem, for sending us this malach known as Guardureyes.

Thank you for the warm words, but make sure to daven that you **don't want** just the "Malach". Like Moshe in this weeks Parsha, cry to Hashem and say: *"Im ein **ponecha** holchim, al ta'aleinu mizeh"*

We want YOU Hashem to be with us in this struggle, and to be constantly guiding us and at our side!

B"H, I made it to the kosel today (in the beautiful rain) and davened for everyone. As always I recited each one of your names. I added special prayers for those of you that I have built a relationship with and I feel there was something very specific to daven for. I was in a rush so I only had time to recite one chapter of tehillim (chapter 90).

andsm1, Ano Nymous, bachur28, bardichev, baruch, battleworn, battleworn's son, be holy, chasdei avos, Chazak, ben, Elya, Eme, Guardureyes, getting help, habib613, jack, joeyman, LOYNATA HOILECH, MD Ashdod, ME, me2, mevakesh hashem, momo, MW, Net, pahut yid, phillip, Shomer, snibril, PostalServicio, someone, struggling_woman, ykv_schwartz(me), yosefjakov, yossi_mords, wewillnotbeforsaken

and for all the users of this site, as well as anyone Jewish that doesnt know of this site yet.
