How to report a problematic GYE member
Posted by MenachemGYE - 03 Jun 2020 00:08

_____

Dear GYE members,

Occasionally, you may bump into a suspicious person on the site who seems to be misusing the private chat, private messaging or partner program. In such cases, it's really important that the site admins or moderators find out about it so that we can investigate and keep our site safe for everyone.

Here's a simple form where you provide feedback on any GYE member:

https://jli.formstack.com/forms/give_feedback_on_a_gye_member

Menachem
