

Post #1000 - Journey Overview

In celebration of writing post #1000 I would like to write a short "Journey Overview" of my history with GYE.

I discovered GYE in year 2009 and my first post is dated Dec 21 2009

B"H I can say with certainty that my life would not be the same at all without GYE. Besides helping me become a better person and gaining so much important knowledge, GYE also gave me the opportunity to connect to hundreds of great people who we were able to help each other in so many ways.

So I would like to convey my "Hakaras Hatov" to GYE and bring out a shevach vhodaah to Hashem for all the chesed he has done to me. May GYE continue to help and bring kedusha into the world and eventually hasten the coming of Moshiach very soon!

Thank you David for the enormous help you give everyone here. You are a fountain of chizuk, and always have an appropriate mareh makom in chazal to set things straight. It is obvious that you invest tremendous amounts of time to support the GYE community with emphasis on helping yechidim in addition to your intelligent and inspiring posts. May Hakadosh Boruch Hu grant you bracha v'hatzlacha here and in your "real life" too!
