

Men and Women's forums are now seperate

Posted by the.guard - 10 Jan 2010 14:51

Due to some serious breaches in Tzniyus that I am not at liberty to divulge, and after consultation with experts, it has been decided that the men and women's forums on GYE will now be completely separate. Men will not be allowed access to the women's forum, and women will not be allowed access to the men's forum.

We would also like to re-iterate that posting e-mail addresses and telephone numbers is forbidden on the forum. Instead, PM's should be used (between each gender separately).

We apologize for the inconvenience - and just so that no one should get wrong ideas, let me state that it has nothing to do with our dear women members, 7Up, Habib, Trying, Letakein and theOne.

HELLO WORLD!!! :D :D :D :D

OKAY ALL, TIME TO GET UP FROM SHIVA!

YES IT HAS BEEN A VERY DIFFICULT 2 DAYS

YES WE ARE REELING IN SHOCK

YES IT HURTS.

AND **YES** WE WILL SURVIVE!

NOT ONLY SURVIVE,

BUT PERSEVERE AND COME OUT STRONGER

AND BETTER THAN EVER BEFORE.

I know that many family members are missing today. Chaval.

I understand your pain - trust me - but I honestly believe that we have no choice but to KOT.

For whatever reason, Hashem decided that this was the correct thing.

Sure, a less painful way would have been nice,

but obviously, we are not yet tzadikim enough to have been zoche to that.

It is up to all of us to try undo the damage.

Midda k'neged midda,

now is the time for much selflessness.

Time to think beyond our personal needs and wants and desires.

Time for the klal, and only the klal.

Those of you who are 'on vacation' today:

emergency army call up. So Sorry.

Since when does a loyal army run at the first sight of enemy invasion??

GYE can not survive

without soldiers reinforcing the borders and the cities.

They are here as 'guests'

And they are not impressed with the boring mens side today!

OKAY, OKAY...

I just RAN around the corner, and my belly was jiggling all over the place, and....

Oh, you said **JUGGLING...**

Sorry i don't juggle.

That reminds me of the time I heard two guys complaining about the black hat system, how they couldn't stand the pressure to conform.

I said to them (I was wearing the full regalia at the time) "I also feel the pressure to conform."

"How so?" they asked me.

"Well," said I, "I have been trying for years to conform to the limitations of the waistband of my pants, and *boy do I have pressure!*"

Hope all you "guests" are laughing.

I can't **HEAR** you...!

---- b'dump, bump! ----

Trying, how are you able to post here on the men's side?

I'm not complaining, just wondering.

Hope you gals are doing well.

Guard, 7up,

dig up the e-mails of all the girls who disappeared over the years and send out a special e-mail that the guys are being kept out!

I figured I would leave this announcement board open to both sides for a few days to give everyone a chance to say "goodbye"... (see yesterday's beautiful chizuk e-mail from Trying,). I don't plan on leaving it open for much longer. Otherwise, it defeats much of the purpose. The guys and gals who want to shmooze will just start using this board :D...

I will make a new "Announcement Board" on the women's side, for them.

So if there's any last things you want to tell the girls, get it in now. This board closes at the end of the week.

P.S. You can always send messages through me or "mom" though, in the future.

Don't let your life wrap up around you

I'll be here just waiting for you

I'll be under your stars forever

Neither here nor there just right beside you

I'll be under the stairs forever

Get out from under the stairs and start living!

I just want to tell all the ben Torahs on this forum(thats all of you guys posting, b/c if you didnt care about doing the right thing you wouldn be here), that you are crazy holy, and since Ive seen the dark side of guys too often, I can now appreciate your holy sparks flying out of neshamot. While the "cool" lustful guys are appealing for a moment, they ARE NOTHING AND THEIR YH IS A FLIMSY PIECE OF PAPER, WHILE ALL OF YOU GUYS ON GUE, YOUR YH IS A HARD CORE BLACK DIAMOND Of A MOUNTAIN!!! Ill miss you!

Thanks Y4P for the chizuk,

I do have a general question. How is it that the women are able to access our forum but we cannot even read their forum from the sidelines?

Yearning

When I read your original story, it shook me up like nothing I ever experienced. I felt like someone stuck a knife in me and twisted it. Yet despite that I never trusted myself to post anything to you directly. I do, however, want to wish you much hatzlacha in overcoming your addiction, and wherever life brings you, I hope you discover true happiness.
