

Men and Women's forums are now seperate

Posted by the.guard - 10 Jan 2010 14:51

Due to some serious breaches in Tzniyus that I am not at liberty to divulge, and after consultation with experts, it has been decided that the men and women's forums on GYE will now be completely separate. Men will not be allowed access to the women's forum, and women will not be allowed access to the men's forum.

We would also like to re-iterate that posting e-mail addresses and telephone numbers is forbidden on the forum. Instead, PM's should be used (between each gender separately).

We apologize for the inconvenience - and just so that no one should get wrong ideas, let me state that it has nothing to do with our dear women members, 7Up, Habib, Trying, Letakein and theOne.

really?

woooohooo!

oops.

sorry. whooping isn't tznus.

whatever. i'm pretty sure R' guard didn't mean that we could use this like our own threads... i don't think he meant for us to use it at all in fact. it was a loophole. and he didn't want to make us all cry again, so he gave us an end date. i dunno. i'm wrong a lot. ignore me. i'm talking to myself.

Habib, it's good to hear your "voice" coming in loud and clear.

Whoop all you want. It sure makes ME feel better.

I'm saving my goodbyes to the end of the week, cuz I hate goodbyes and I like to procrastinate.

I sent a mssg to you all thru 7Up. Pls bug her for it.

G'nite, Ladies....

If you've been following my thread, you'll know that I was hurting at first. A lot. Collective punishment didn't seem fair, and having great chizuk friends taken away from didn't seem fair either. However, I realize that we have to think of the klall, not just our own needs.

Not everyone is as strong as us who can shmooze with the gals and not get carried away. If one person falls because of the mix, it's not cool anymore.
There's a loophole? **use it** :

I've already mourned the loss of my sister friends and I am moving *forward*.

So, good bye sistas.

I won't forget you, even if I can't see you or hear from you. And I know you're reading my thread.
(G-d, if you need written permission to read whatever I write, you have it!)

And Habib, you are a diamond. Never forget that, and don't listen to ANYONE who tells you
