Trials keep You Strong,

Failures keep You Humble,

Success keeps You Glowing,

But Only God keeps You Going

The trials that Hashem sends us...each and every day,

they appear to be so bitter...so we go and chase them away,

However, when we take them, and put them on our tongues,

the bitterness changes to a sweet sweet taste, and we have gone up another rung.

These trials are really sweets... candies from Shamayim,

hashem sends them to us, to quench our thirst for mayim,

Mayim is the basic element that keeps our life force flowing,

and my putting this "sweet" candy in my mouth, proves that I trust in Hashem....the source of all knowing.
