Announcing the launch of the GYE Hebrew Forum Posted by the guard - 19 Jan 2010 15:05

For all those who are more comfortable typing/speaking in Hebrew, please join our <u>Hebrew forum</u>, moderated by Reb Shraga Shlachter, an expert in sexual addictions and the author of the book "<u>The First Day of the Rest of My Life</u>" in Hebrew.

If you know any Israeli's who struggle with lust addiction, please let them know about our new forum!
