Anyone looking for a Frum Men's group?

A new group is starting this week led by Simcha Feuerman (LCSW-R

Director Ohel)

It is **not** specifically for Sex Addictions, but may be worth looking into....

P.s. you can contact him at [Simcha\\_chaya@excite.com](mailto:Simcha_chaya@excite.com).

Hey Chevra, this group started tonight....

It's a great group for guys with limited social interactions or social anxiety or related issues...

Highly recommended.....  
Hatzlacha to all...
