Posted by the.guard - 01 Jun 2009 21:21

A member by the name of "Battleworn", who is one of the greatest warriors on this forum (he's been absent for a while), has offered to be on-line Sunday - Thursday 12:15 - 1:15 and 8:15 - 9:15pm (**Israel time**), and he can also be reached by phone at those times in Israel at this number: 052-713-9525.

"Battleworn" has an amazing attitude and he offers great advice and Chizuk, so if you're feeling weak or just need some advice or someone to talk to - **pick up the phone and give him a call!**

You can see some of Battleworn's great tips and Chizuk on [this page](#).

THANK YOU BATTLEWORN, MAY HASHEM BLESS YOU!
