

Looking for new Partner Gabai

Posted by the.guard - 03 Mar 2010 13:27

As you all know, GYE has a [Partner Feature](#) where people send in a questionnaire to the partner Gabai who attempts to make matches. Partners can agree to write e-mails, chat on-line, by phone, or even meet in real life. The accountability is one of the most powerful tools to breaking free of this addiction.

The previous partner Gabai is doing other work for us at this time and can't keep up with the matching process. If you're interested, we'll send you the updated Excel file with the current database, and we'll train you into the job. There's a special e-mail for this at partner.gye@gmail.com.

The job should not realistically take more than an hour or two a week, and we hope to have the system automated in the coming months, be"n.

Please post here below if you're interested in helping with this big Zechus!
