

Send me your PESACH vertlach ideas PLEASE

Posted by the.guard - 17 Mar 2010 12:01

I will be going away for Pesach IY"H and will have less access to the internet and less time to prepare chizuk e-mails. So I need to prepare about 4-5 chizuk e-mails in advance. If you have any nice thoughts about Pesach vis-a-vis the addiction, please send them to me at eyes.guard@gmail.com. Thank you.
