

GYE IN YIDDISH!

Posted by the.guard - 13 Nov 2010 19:59

If you understand Yiddish better than English, send me [an e-mail](#) and I'll send you the GYE Attitude handbook translated into Yiddish.

The second part of the handbook is currently being translated as well.

An anonymous Tzadik is sponsoring the project at a cost of about \$5,000. It is being done very professionally! (Even more professionally than I wrote it, in my humble opinion :D)

Reb Guard

Can you please add numbers to the yiddish GYE.

I am printing it out for some askonim/dayonim in my area (i gave them the english one, now they are begging for the yiddish one) and i need to make sure it printed all the pages.

Had a read of the article and was not that impressed with GYE's exposure. There was no indication that there is a web site out there to assist frum people in trouble, just a mention that adults shoud use the "GYE program".

I don't mean to sound negative, but I guess we have to realize its a a first step
