

Need a favor please

---

I need an on-line version or PDF version (or Word version) of the the Green Book - which is The 12 steps and 12 Traditions workbook of Co-Dependents Anonymous.

Since my internet is a white-list filter, I can't search for it on line. Could some please try and find me a PDF or on-line version of it and e-mail it to me at [eyes.guard@gmail.com](mailto:eyes.guard@gmail.com)?

Thank you for your help.
