Doesn't Google Yiddish have a built in filter, though?

Do you see a filter in [Google Yiddish](#)? I don't.

Bet you thought there is no such thing as **Google Yiddish**!

You see it is as silly to say that

Like what people in the northeast (not philly) like boropakflatbushwilly

Think that all out of town people. Never wear shabbos coats only have plastic framed public school teacher glasses. All eat 999. Drive 89 caprice. Eat tuna fish for shabbos. And baked beans for cholint

We know its ridiculous

We do

Come visit bardstown
