

expecting miracles

Posted by Serene smile - 03 May 2011 08:17

I've BH experienced 100's of miracles in recovery over the past 10 years. I'm not the only one. It's the best news in the world when we share victories together and how Hashem has clearly been present, for goodness, in our lives. Feel free to please share a victory, miracle, and positive experience of heavenly sincerity.
