

SPAA

Posted by believer1967 - 27 Sep 2023 21:26

Sex and Porn addicts anonymous is another program that not only stops from falling, but changes the way you live life with thoughts, fantasy, etc

is there any advantages to this over sa?

or you can just list advantages in general and let ppl figure it out. this is what my rebbaim used to do "im not saying that our yishiva is better then xyz but we do abc"

so maybe just somethings about what spaa is and why it works...
