There is an EXCELLENT 12-Step Big Book phone conference for women addicts, sponsored by Letakein. Women are encouraged to email her directly about it and its schedule. You can see info about it on this page:

www.guardyoureyes.com/women-big-book/item/big-book-study-group-for-women

On the right side of the page are links to other conference groups for women, for Spouses of Addicts, etc.
